Divider Screen Mount Solutions

Integ can make custom adapter fittings for some of our poles that fit in to existing office furniture such as screen dividers. Below are examples we have done.

PPCC3.5-SLX-00   Apollo1 350mm screen mount

This solution is suitable for the Lexicon screen extrusion (profile shown)

PPDC4-SAH-03   Integ, Apollo2 400mm Screen Mount (With 3 T-Nuts) - xone

This solution is suitable for the Xone screen extrusion (profile shown)

PSVP4-SW1-05   Integ, Extended keyway VESA monitor mount

This solution is suitable for getting the monitor as close to the screen as possible while providing basic height adjustment

Note: Requires an Integ pole/mount that is at least 300mm long
